STUDENT GOVERNMENT REPORT:

Student Government is a club that goes hand in hand with the leadership group. It is open to any student a Byrne Creek. The council is responsible for planning events such as the holiday hamper drive, the Bulldog Bash and ongoing fundraising. A portion of each student's fee goes toward student government and executing these worthwhile events.

CO-CHAIR REPORT:

a coupon book has been passed along to the community room to be used by students

TREASURERS REPORT:

Gaming money is available for this school year. Awaiting teacher's requests

PRINCIPALS REPORT:

Very pleased to be back at Byrne Creek as acting Principal. He recognises what a first class school it is with the VPA, Athletics, and Academics. Kids have a strong sense of ownership for the school, an attachment, and are regularly here well after school ends at 300 p.m. This speaks to the culture here at Byrne Creek and the commitment of the kids and staff. A wonderful, exciting place to be!

COMMUNITY SCHOOL CO-ORDINATOR REPORT:

The community room is the hub of outreach for the school. It provides before and afterschool snacks, clothing, and various other types of support. It coordinates the use of the school space and acts as a bridge between community members and resource agencies. A draft of this year's PAC topics has been drawn up and will be distributed.

Small groups discussed communication and calendar of events
