THE ROAD TO COMMUNITY SCHOOL STATUS AND BEYOND

<https://thecommunityroom.wordpress.com/2014/11/26/the-road-to-community-school-status-and-beyond/>

Please take a look at this Prezi created for the school staff. This is a brief lesson on what a community school is and what our overarching goals have been for the pilot at Byrne over the past three years. The questions at the end are meant to generate thought about our next steps and the focus or overarching goals that we will pursue over the next year. Please let us know what you think.

HOW ARE WE DOING?
