

Byrne Creek Community School

Course Selection for 2019-20

Course selection information sessions for students and entering their choices in My Ed takes place in February.

Timeline:

Monday, February 11th

- Grade 10 and 11 information sessions.

Tuesday, February 12th

- Grade 8 and 9 information sessions.

Entering courses:

- Students in grade 9, 10, and 11 enter course selection requests on their own.
- Students in grade 8 enter course selection requests in a computer lab with the help of counsellors Tuesday, February 19th and Thursday, February 21st.
- Course selection requests are entered in My Ed. Students must have login information.
- Students intending to pursue post-secondary studies must ensure that they select courses that meet admission and program requirements.
- Students are encouraged to consult their counsellor if they have any questions.

Additional forms, instructions, and information is available on Byrne Creek website.

- Due date for entering course selection requests is March 15th, 2019

Course verifications listing the courses requested for the next school year are sent home with the students. Parents sign it and it is returned to Student Services.

Byrne Creek Community School's overall timetable is built on student requests.
