

This year, we are starting the "H.E.A.R.T. (Honesty, Empathy, Achievement, Respect, Teamwork) Bursary". This bursary will award graduates who have overcome adversity and demonstrated a genuine sense of H.E.A.R.T. in the Byrne Creek Community. Our goal is to offer 3 x \$1,000 Bursaries every year for graduates who embody the values of H.E.A.R.T. and are committed to continuing their education. This award is open to students who have faced challenges such as poverty, health, family issues, personal loss or lack of support. The understanding will be that, when they are financially able, they will give back to someone who will benefit from financial support. This may be done independently or by donating back to this scholarship fund in the future. To apply for this bursary, graduates will be asked to respond to a series of questions and a selection committee will determine the recipients.

Click [HERE](#) for the donation link. Tax receipts are available.

You may indicate where you prefer your donation to go where it says "MESSAGE (optional)". If no selection is made, the Byrne Creek Scholarship Committee will allocate your donation accordingly.

Please email Laida.Falsetto@burnabyschools.ca if you have any questions.

Thank you!
