2021-2022 Course Selection Information for Students and Parents

Students will enter their final course selections online by **March 12, 2021**. Course Verification Forms will be distributed after Spring Break. We ask parents/guardians to note this time and discuss the course verifications with their children. **After course verification forms have been collected, there will be no further course changes.** Course corrections after this date will be approved only for those students whose Learning Plans are altered because of final marks or summer session courses, or in cases where the school is unable to provide the requested course.

The school is staffed and timetabled for September 2021 on the basis of your course selections. After courses have been determined it is unlikely that further changes will be possible, so please choose your courses carefully.

Students are expected to take eight (8) full courses or equivalent. PLEASE INDICATE BELOW:
