Students will enter their course selections on their own during February 2021. Students should make an appointment with their counsellor if they need assistance. Course Verification Forms will be distributed after Spring Break. We ask parents/guardians to note this time and discuss the course verifications with their children. **After course verification forms have been collected, there will be no further course changes.** Course corrections after this date will be approved only for those students whose Learning Plans are altered because of final marks or summer session courses, or in cases where the school is unable to provide the requested course.
