

BYRNE CREEK COMMUNITY SCHOOL

STUDENT BULLETIN- JANUARY 31- FEBRUARY 4

TECH TEAM

Are you the person who always solves the tech issue on your family or friends' phone, tablet or computer? Are you kind and helpful by nature? Why not join Byrne's newest club, the Tech team! Students in this club will get contacted from time to time to overcome technological problems experienced either by the teacher or by students in our classes. Your support can solve a lot of headaches and get our students on the fast track to academic success! First meeting is this Friday at lunch in B109.

PHOTO DAY

Artona will be onsite on Tuesday February 8th, 2022 to photograph all new Semester 2 students and staff and anyone that missed the first photo day in the fall.
