A MESSAGE TO STUDENTS

Byrne Creek is a thriving community school that provides opportunities for students to excel academically, socially-emotionally, athletically, and artistically. We focus on the Whole Child and are a school where students find joy, connection, and learning. We strive to ensure that each student:

- Exemplifies our core values of HEART
- Is challenged and prepared for the world beyond school
- Learns about and practices healthy lifestyles
- Learns in a safe environment
- Is engaged and connected to the school and the community beyond
- Is supported and surrounded by caring adults

Our continued goal is to maintain a culture of excellence, expectation, and accountability where all students feel they are capable of high levels of success. We expect all members of our community to respect each other, attend classes on time, work to the best of their abilities and follow the school and district codes of conducts.

BYRNE CREEK STUDENT EXPECTATIONS

SOCIAL RESPONSIBILITY

Byrne students are expected to be respectful of themselves, others, the school, and the community. Students are expected to treat others fairly and with respect, showing a sense of ethics while recognizing and defending human rights. Students should use language which is respectful and free of vulgarity, profanity, and free of put-downs relating to gender, sexual orientation, race, or culture.

ATTENDANCE & PUNCTUALITY

Students are expected to attend classes regularly. Permission to leave school must be obtained through the office by either a phone call from a parent/guardian or a note. Being on time to class is an expectation and a courtesy to students and teachers. If students arrive late, they are to go directly to class. If a parent/guardian has notified the school, the student will be excused, if not they will be marked as unexcused and an automated phone call will be made home at the end of the day.

SMOKING/VAPING

The Burnaby Board of Education is aware of the dangers to health from smoking and the use of tobacco and vaping products and believes that each student and employee should be entitled to a smoke and vape-free environment. **SMOKING/VAPING IS NOT PERMITTED** in the building or on the school grounds.

CONSEQUENCES

The severity and frequency of unacceptable conduct, as well as the age and maturity of students, is considered in determining appropriate disciplinary action. Responses to unacceptable conduct are consistent and fair, while reflective of the particular circumstances of each individual case. Disciplinary action, whenever possible, is educative and restorative, rather than merely punitive. Students are encouraged to participate in the development of meaningful consequences.

AWARDS & RECOGNITION

Students at Byrne Creek are encouraged to strive for excellence in all areas. At Byrne Creek we believe that the recognition of excellence is crucial to development and maintaining positive school climate.
