

Thank you to EVERYONE for supporting the Byrne Creek 19th annual Hamper Drive. Our goal was to raise \$12 000.00 to be able to build approximately 100 hampers to support some of our families over the winter break. With the help of the monetary donations, the food donations by Tzu Chi foundation and by the many businesses we managed to meet our goal.

I wanted to acknowledge that this was all possible because of the community we have. Many of the staff and students at Byrne Creek donated item, money and time to help with various events. There are many community members that contributed in similar ways. I have also shared the businesses that supported the Hamper Drive as well.

And of course we couldn't have done this without Bal and Sandra (Community Coordinator and assistant) for the work they put into securing some of the donations and of coordination of deliveries. Tarryn Nastalski (the music teacher) was also instrumental in the Benefit Concert so special thanks to her making that such a success. Tanya Virani also provided help through much of it.

I also wanted to let you know that the TruEarth fundraising is ongoing. So if you want to support the hamper drive throughout the year please use this link <http://tru-earth.sjv.io/ByrneCreekHamperDrive> (I have used the laundry strips when travelling, they are great). They will just keep depositing 20% of the purchase into a school account for future Hamper Drives.
